ABOUT ME

Passionate Senior Software Engineer with 4+ years of experience in developing web applications and backend systems. Skilled at writing clear, concise code that is easy to maintain and troubleshoot. Experienced in working with both small and large teams across multiple projects and companies. Able to work independently of remote locations or in office environments as needed by the company.

PROFESSIONAL EXPERIENCE

Senior Software Engineer

TatvaSoft

07/2022 - Present Gujarat, IN

- I Collaborated with product managers to understand requirements and ensure seamless integration of user-facing features.
- Successfully leading and delivering complex PHP projects from conception to completion, meeting or exceeding client expectations.
- Maintained high code quality standards through code reviews, automated testing, and adherence to coding best practices.

PHP Developer

codExalters Techlabs

10/2019 - 07/2022 Gujarat, IN

- I have honed my skills in coding, debugging, and optimizing PHP applications to ensure seamless functionality and exceptional user experiences.
